Enter passenger details

- * Fares are not guaranteed until you confirm your purchase by clicking the "Yes, book and pay for ticket" button. * *
- * Miles & More members may accrue miles for flights operated by SWISS. Please visit [Miles & More](#) ▶ to obtain the exact mileage value of your route or the [Mileage Calculator](#) ▶ for an informative simulation. Please refer as well to Miles & More for details on your **award benefits**. ▶
- * The fare is only valid if all the flights are fully flown in the booked sequence. Otherwise the fare will be recalculated based on the actual flight routing.
- * In case this flight is operated by an airline other than Swiss Airlines, baggage allowance, priority check in, seating terms, Fastlane option may differ.
- * Please note that options (e.g.: extra baggage, seat reservation) are not refundable in case you cancel your flight or if you change your flight and the option is no longer available.
- * Passengers travelling a European route (including domestic flights) with a LIGHT fare, who wish to change the automatically assigned seat at check-in will have to pay an additional charge. This fee does not apply to travelers who have purchased a desired seat in advance.

❓ Do you need help with rebooking online?

For an optimal rebooking experience, please use a tablet or desktop device or contact our Service Center.
